

# CERTIFICATE OF ACHIEVEMENT

## ACCOUNTING

The certificate curriculum in Accounting prepares students for employment and advancement opportunities in business and industry such as financial institutions, hospitals, manufacturing and construction companies, wholesale and retail companies, transportation, utilities, educational institutions, all levels of government, and the military. Entry-level employment opportunities include positions in general bookkeeping, accounts receivable/payable, payroll, income tax preparation, cost accounting, and auditing. Accounting majors intending to obtain a bachelor's degree in accounting should refer to the Business Administration transfer curriculum. To earn a **Certificate of Achievement in Accounting**, students must complete the following courses with a grade of "C" or better:

| Required Courses                                                                    |                                                             | Units          | N | IP | C |
