

CERTIFICATE OF ACHIEVEMENT

Brake and Suspension Service

The courses listed in this certificate compile a comprehensive list of job related skills needed to enter the automotive field. The skills acquired during class will help one's ability to complete the ASE Certification Test in the area of A-4 Steering and Suspension and/or A-5 Brakes. The certificate is designed to prepare an individual for entry-level employment as a Suspension and Steering and/or Brake Service/Repair Technician.

To acquire the **Certificate of Achievement in Brake and Suspension**, it is necessary to complete the following courses with a grade of "C" or better:

Required Courses	Units	N	IP	C
