

CERTIFICATE OF ACHIEVEMENT

Community Health Worker

The Community Health Worker Certificate of Achievement is designed to prepare students for employment as a health professional in the medical, education, and health and wellness career field. It is possible to complete this certificate in one calendar year. The curriculum has been designed to equip the student with the background, both theoretical and practical, to pursue a job promoting community health and education. Courses in nutrition, special populations, psychology/sociology, first aid, and lifelong physical activity will prepare the student for responsibilities in the field of health. The program will also expose students to other areas such as health education, healthcare services, gerontology, wellness promotion, pre-allied health, nutritional science, counseling/social advocacy services, public health, and medical fields.

To acquire the **Certificate of Achievement in Community Health Worker**, it is necessary to complete the following courses:
