

DIVISION OF BEHAVIORAL & SOCIAL SCIENCES

DRUG STUDIES

ASSOCIATE OF SCIENCE DEGREE

The following curriculum meets the requirement for an Associate of Science Degree in Drug Studies. The Drug Studies Program is accredited by the California Association of Alcohol and Drug Educators (CAADE). The courses needed for the degree are designed for those who wish to transfer to a four-year institution and pursue a Bachelor's Degree in Human Services or other discipline that serves as preparation for a career in the helping professions.

To acquire an **Associate of Science Degree in Drug Studies**, students must complete the required major courses below with a grade of "C" or better along with one of the following:

- RHC GE and Proficiency requirements
- CSU GE (California State University General Education Breadth)
- IGETC (Intersegmental General Education Transfer Curriculum)
