Graphic Design

The courses required in this certificate provide the foundational skills needed to create effective Graphic Design solutions. Print and digital graphic design solutions require the designer to be versed in the manipulation of visual imagery, the use of typography, as well as the principles and elements of design. Research and development of both the client and audience are also essential components in creating effective graphic design solution concepts.

To acquire the **Certificate of Achievement in Graphic Design**, it is necessary to complete the following courses:
