HOSPITALITY MANAGEMENT FOR TRANSFER
 ASSOCIATE IN SCIENCE DEGREE

The Associate in Science in Hospitality Management for Transfer (AS-T) Degree is intended to meet the lower division requirements for Hospitality majors (or similar majors) at a CSU campus that offers an economics baccalaureate degree. This degree is designed for students interested in gaining the basic concepts of Hospitality Management and to prepare them for jobs with local and global hotels, restaurants, airlines, cruise lines, sports arenas, entertainment, and amusement parks. On completion, students are ready to transfer seamlessly into Hospitality Management and related degree programs at a CSU.

In addition to the courses listed below, the following additional requirements must be met for completion of the AS-T Degree in Hospitality Management:

1. Completion of 60 CSU-transferable semester units.
2. Achievement of a minimum GPA of at least 2.0 in all CSU-transferable coursework. (Some majors may require a higher GPA. Students should consult with a counselor for more information.)
3. Completion of the major with a grade of "C" or better in each course or a "P" if the course was taken on a Pass/No Pass basis and the "P" is equal to a "C" or better.
4. Completion of the California General Education Transfer Curriculum (Cal-GETC). The California State University General Education-Breadth (CSU GE) or Intersegmental General Education Transfer Curriculum (IGETC) may be used in some cases; please see a counselor for details.

NOTE: Students are advised to check with the Counseling Department or Transfer Center for the courses accepted into the Hospitality Management major at the CSU where they seek transfer.
