

DIVISION OF ARTS & CULTURAL PROGRAMS

THEATRE ARTS FOR TRANSFER

ASSOCIATE IN ARTS DEGREE

The Associate in Arts in Theatre Arts for Transfer (AA-T) Degree is intended to meet the lower division requirements for Theatre Arts majors (or similar majors) at a CSU campus that offers a Theatre Arts baccalaureate degree. This degree is designed for students interested in a range of classes in the theatre arts. Students who earn an AA-T in Theatre Arts demonstrate knowledge and skill in areas including acting, theatre technology, dramaturgy, design (lights, set, costume, and/or make-up), theatre history, and play production. Foundational skills and knowledge of theatre is the springboard for an array of careers including professional actor, theatre critic, theatre director, playwright, set, costume, make-up or light designer, running crew and various film and television jobs.

In addition to the courses listed below, the following additional requirements must be met for completion of the Associate in Arts in Theatre Arts for Transfer Degree:

1. Completion of 60 CSU-transferable semester units.
2. Achievement of a minimum GPA of at least 2.0 in all CSU-transferable coursework. (Some majors may require a higher GPA. Students should consult with a counselor for more information.)
3. Completion of the major with a grade of "C" or better in each course or a "P" if the course was taken on a Pass/No Pass basis and the "P" is equal to a "C" or better.
4. Completion of the California General Education Transfer Curriculum (Cal-GETC). The California State University General Education-Breadth (CSU GE) or Intersegmental General Education Transfer Curriculum (IGETC) may be used in some cases; please see a counselor for details.

NOTE: Students are advised to check with the Counseling Department or Transfer Center for the courses accepted into the Theatre Arts major at the CSU where they seek transfer.

Required Courses		Units	N	IP	C
THTR 101 or THTR 105/H	Theatre Arts Appreciation The History & Development of the Theatre/*Honors	3
