

CERTIFICATE OF ACHIEVEMENT

Introductory Songwriting and Arranging

This certificate of achievement prepares students for entry-level work in the music industry, or for further study through the study of composing and producing electronic music. Students will learn aspects of production, composition, synthesis, sampling, effects processing, and workflow within a digital audio workstation (DAW), as well as the tools and techniques needed to create contemporary electronic music in a variety of styles.

To acquire the **Certificate of Achievement in Introductory Songwriting and Arranging**, it is necessary to complete the following courses:
