

# CERTIFICATE OF ACHIEVEMENT

## Residential Architecture Design

This certificate of achievement provides a focused course of study for students in preparation for careers as licensed architects or designers, with a focus on single-family homes or duplexes. Emphasis is placed on drafting basics including linework, dimensioning, and symbology in the context of appropriate industry standards, and with the use of computer-aided drafting (CAD) software. Course instruction regarding the requirements of current building codes and how they affect residential design is an integral component to the certificate.

To acquire the **Certificate of Achievement in Residential Architecture Design**, it is necessary to complete the following courses:

Required Courses	Units	N	IP	C
ARCH/CIV/ENGT 101 Introduction to Technical Drawing & Graphics	<b>3</b>			
ENGT 150 AutoCAD for Basic CADD Applications or ENGT 170 MicroStation for Basic CADD Applications	<b>4</b>
