ASSOCIATE DEGREE IN NURSING (RN)

LVN TO ADN (OPTION #1)

The Associate Degree Nursing Program may be completed by the Licensed Vocational Nurse in one year. It is designed to prepare students for employment as a Registered Nurse, providing direct care to patients. Graduates receive an Associate of Science Degree in Nursing. The California State Board of Registered Nursing accredits the program. Students who complete the curriculum are qualified to take the examination leading to licensure as a Registered Nurse.

For more information regarding selection and application process, refer to the Rio Hondo College website.
