

CERTIFICATE OF ACHIEVEMENT

Peak Performance for Sport

The Certificate of Achievement in Peak Performance for Sport is designed for students seeking employment in the sport, athletic, coaching, and fitness fields. Students study physiological, psychological and sociological principles to evaluate human performance for youth, high school, collegiate, and professional athletes and teams. Students learn the basic anatomical principles used to maximize performance, biomechanics, program design, training techniques, and the role of nutrition to increase energy and enhance performance. Students in the program use social scientific inquiry through descriptive and comparative investigation to evaluate the connection between cognitive strategies and performance in fitness and sport. This certificate can be completed in one year.
