ASSOCIATE OF SCIENCE DEGREE

Students desiring careers in law enforcement may elect a program from Administration of Justice. This program is designed to be transferable or job-oriented, depending on student need.

Students seeking careers in corrections, probation and parole should specialize in the corrections option. Some of these areas require a four-year degree.

Students seeking employment with a local, state or federal law enforcement agency should specialize in Administration of Justice. Every student should seek counseling with the assigned member of the Counseling staff in order to develop a comprehensive course of study within his/her career choice.
