

DIVISION OF HEALTH SCIENCE & NURSING

# ASSOCIATE DEGREE IN NURSING (RN)

## LVN TO ADN (OPTION #2)

The Associate of Science in Nursing Degree program may be completed by a licensed vocational nurse (L.V.N.) in one year. It is designed to prepare students for employment as a registered nurse, providing direct care to patients. Graduates receive an Associate of Science in Nursing Degree. The California Board of Registered Nursing (B.R.N.) accredits the program. Students who complete the curriculum are qualified to take the examination leading to licensure as a registered nurse. To acquire the **Associate of Science in Nursing Degree**, students must complete one of the following: Río Hondo College General Education and Proficiency requirements, California State University General Education Breadth (CSU GE), or Intersegmental General Education Transfer Curriculum (IGETC).

For more information regarding selection and application process, refer to the Rio Hondo College website.

Prerequisites/Corequisites		Units	N	IP	C
* BIOL 125	Human Anatomy	4			
* BIOL 226	Human Physiology**	4
