

DIVISION OF COMMUNICATIONS & LANGUAGES

FILM, TELEVISION, AND ELECTRONIC MEDIA FOR TRANSFER

ASSOCIATE IN SCIENCE DEGREE

The **Associate in Science in Film, Television, and Electronic Media for Transfer (AS-T) Degree** is designed for students interested in communicating stories and ideas through moving images and recorded sound. Students in this program will gain an aesthetic appreciation for social and cultural phenomena and a critical understanding of film, television, and visual mediums, as well as practical skills in writing, directing, filming, editing, and producing work in these and other electronic media. It is intended to meet the lower division requirements for Radio, Television, Film, Video, and Electronic Arts majors (or similar majors) at a CSU campus that offers a Film, Television, and Electronic Media baccalaureate degree.

In addition to the courses listed below, the following additional requirements must be met for completion of the **Associate in Science in Film, Television, and Electronic Media for Transfer**:

1. Completion of 60 CSU-transferable semester units.
2. Achievement of a minimum GPA of at least 2.0 in all CSU-transferable coursework. (Some majors may require a higher GPA. Students should consult with a counselor for more information.)
3. Completion of the major with a grade of "C" or better in each course or a "P" if the course was taken on a Pass/No Pass basis and the "P" is equal to a "C" or better.
4. Completion of the California General Education Transfer Curriculum (Cal-GETC). Continuing students who started prior to Fall 2025 may follow CSU GE or IGETC.

Required Courses	Units	N	IP	C
Choose two courses from the following list:
