# SOCIAL JUSTICE STUDIES FOR TRANSFER

ASSOCIATE IN ARTS DEGREE

The **Associate in Arts in Social Justice Studies for Transfer (AA-T) Degree** is intended to meet the lower division requirements for various social science majors (or similar majors) at a CSU campus that offers a Social Justice baccalaureate degree. The Social Justice Studies degree is an interdisciplinary degree that engages students in examining identity issues such as gender, race, class, ethnicity, and nationality as they intersect with the social justice issues of racism, sexism, classism, terrorism and other oppressive structures within society. This degree is designed to appeal to students interested in learning about the experiences of marginalized groups, as well as those going into majors such as sociology, history, political science, women's studies, and race and ethnic studies.

In addition to the courses listed below, the following additional requirements must be met for completion of the Associate in Arts in Social Justice Studies for Transfer Degree:

1. Completion of 60 CSU-transferable semester units.
2. Achievement of a minimum GPA of at least 2.0 in all CSU-transferable coursework. (Some majors may require a higher GPA. Students should consult with a counselor for more information.)
3. Completion of the major with a grade of "C" or better in each course or a "P" if the course was taken on a Pass/No Pass basis and the "P" is equal to a "C" or better.
4. Completion of the California General Education Transfer Curriculum (Cal-GETC). The California State University General Education-Breadth (CSU GE) or Intersegmental General Education Transfer Curriculum (IGETC) may be used in some cases; please see a counselor for details.
